July, 2014

Dear ASE Member:

This year, the Association for Surgical Education and the Association of Program Directors in Surgery are again combining to host **Surgical Education Week**. The two groups are overlapping their meetings with the APDS meeting April 21-23, 2015 and the ASE meeting from April 23-25, 2015 at the Westin Hotel, Seattle, WA. April 23rd will be a joint day of programming.

This year as a way of showing our support for our troops, we would like to invite all **ACTIVE** military ASE members to attend the upcoming meeting and will waive their registration fee for the ASE portion of the meeting. Travel and lodging expenses will be the institution's responsibility. **Registration will need to take place before the early bird cut-off date in order to qualify.**

If you wish to receive registration materials or have any further questions about this offer, please contact Susan Kepner, ASE Executive Director at 217-529-6503, or by email at skepner@surgicaleducation.com. After the first of the year, registration materials will be sent out via our list serve and will also be on our website at www.surgicaleducation.com.

I look forward to meeting you at the ASE Annual Meeting, April 23-25, 2015 at the Westin Hotel, Seattle, WA.

Sincerely,

Daniel Jones, MD, MS
ASE President
